REMARKS			
25X1			

A new airfield was under construction on a plateau about 3,300 feet south of TERNA (R 50/E 28) and north of GERGELAK (R 51/E 28). A North-South runway was being constructed. A new 20x3,300-foot winding approach road from the valley to the plateau was being built. The building material was hauled by an overhead cable railway. Work started in the summer of 1948.
